

YOUNG ADULT BOOK REVIEW FORM

BOOK TITLE: Fever 1793

BOOK AUTHOR: Laurie Halse Anderson

REVIEWER RATING: 5/5

NAME & AGE OF REVIEWER: Sam, Age 14

REVIEW:

This book tells of the dark times when the Yellow Fever was spreading and how one teenage girl lived through it. The author does a wonder by combing so many tragic events and making the main character still seem so strong and independent. This is one of my favorite historical fiction books.
